### Work Progresses On New Highway and Factory Building

PROGRESS REPORT: The paving of the Mitchellville-to-Dixon Springs road up to Delwood Tuesday evening and operations stopped at this end while some cleanup work was done in the south section.

On Thursday the equipment was moved from Delwood south, and Thursday there was some work done on some approaches at Eddyville and Glendale. Yesterday and today some similar work was being done at Dixon Springs.

Advices were that Monday the S. J. Groves Construction Co., contractors, would begin paving the approaches at Mitchellville, then start work on the Mitchellville-to-Delwood stretch, the last gap which is a good five miles.

And passing by on the county farm road I see that the concrete masons have just about reached the top in the construction of the first of Mr. Irving I. Hudes' factory buildings. This is the 40 by 90 foot building at the south end of the acreage, and it is hoped that this building can be used for initial limited production until the big 40 by 300 foot building is constructed.

IT DIDN'T HAPPEN HERE: Two guys wandered into a bar. The first took four straight shots of whisky and fell flat on his face on the floor.

The second said to the bartender:

"That's what I like about Joe. He knows when to stop."

AND NEITHER DID THIS: A man told his friend he was desperately in love with a 17-year-old girl and planned to elope with her and get married.

"You can't do that without permission," his friend advised him. "She's a minor."

"You mean," the man asked incredulously, "I gotta ask John L. Lewis?"

MAIL: I yesterday received a postal card from "Tiger Bob" Milroy, the GOP chairman, who is in San Francisco. It carries a picture of "Sad Eye Joe," whom Bob says is a California Democrat.

FRIENDLINESS: No giving brings greater satisfaction than that which helps others to help themselves. A gift to the Salvation Army does just that.

The Army is concerned with serving those in need — the very young, the very old and all between. It helps those who need help to help themselves.

For more than 80 years, The Salvation Army has opened its hearts and doors to all. It serves in the conviction that only by faith in God — and by faith in the people it tries to help — can it do a worthwhile job.

No man, woman or child in need is passed by. No lines are drawn because of race or color. No church affiliation is asked or demanded. Through its varied services it reaches many who belong to no church. It offers religious experience to some who otherwise would have none. It guides still others back to their own denomination.

The day-to-day duty of the Army has been working with and for the forgotten and neglected people. The man without a job, the unmarried mother, the youth whose home is the street, the man without a friend, boys and girls with no place to play, widows struggling to provide for their children. To all these The Salvation Army is the someone who cares—the friend in need and in deed.

The local drive for Salvation Army funds starts Oct. 4. Remember what you just read when you are deciding how much to give.

### Trade Property

Mr. and Mrs. Edwin Towle and Mr. and Mrs. Fannie Hendrix traded their residential property here last Sunday and Thursday completed moving into the houses formerly owned and occupied by the other.

Mr. and Mrs. Towle moved from 206 West College street to their new home at 1230 South Jackson street and Mr. and Mrs. Hendrix moved from the South Jackson street site to the house formerly owned by the Towles on College.

## Will You Give A Dollar to The Jaycee Factory Drive?

Within the past few days, a TV show stunt was designed to help a woman become rich. That was her desire. The TV star asked everyone who heard the program to mail a nickel—five cents, to the woman.

She is getting rich.

Wouldn't that work for the Harrisburg Junior Chamber of Commerce factory drive?

Suppose every person in Harrisburg would mail a dollar to the Jaycees. It would put their factory fund drive over the top.

Wouldn't it be a good thing to try?

Will you mail a dollar bill in an envelope addressed to the Harrisburg Junior Chamber of Commerce? You will be doing your bit.

## Register to Honor Outstanding Carrier Boys

The week of Oct. 1-8 is National Newspaper Week, with Saturday, Oct. 2, Newspaperboy Day.

As in the past, The Daily Register will select its three outstanding news carriers and present them with certificates and lapel pins. The practice of honoring the three outstanding carriers is a cooperative effort between The Daily Register and The Inland Daily Press association.

To be considered as an outstanding carrier the carrier must have been on the job at least six months. Other factors are lack of complaints, neatness, courtesy, promptness in paying account and grades in school.

This is the seventh year The Register has made the award. Last year various subscribers expressed a desire to commend their carrier and many letters were received stating that the subscriber thought their carrier "the best we ever had." Letters from subscribers will be welcomed again.

The Inland Daily Press association establishes the basic rules used in selecting the outstanding carriers, with each cooperating newspaper authorized to honor a certain percentage of its carriers. The Daily Register is authorized to recognize three of its carriers, under the plan.

## Tibet Natives Rebel Against Chinese Reds

CALCUTTA, India (UP) — Natives of east Tibet have rebelled against Communist Chinese occupation forces in a series of fatal clashes, reports reaching India's border said today.

The reports said Red Chinese troops had to declare a state of emergency and call reinforcements into Tibet's eastern provinces.

The rebellion in the mysterious mountain nation coincided with the junking of its two chiefs—the Dalai Lama and the Panchen Lama—to Peiping where Communist propagandists claimed they expressed "warm support" for Chinese domination of their homeland.

Communist Chinese invaded Tibet in October, 1950, and seized communications.

Travelers reaching Kalimpong, India, along the Himalayan trails out of Tibet brought reports that both Tibetans and Communists were killed in the recent clashes. The uprisings took place in the same area of Tibet that protested Communist rule last year by refusing to pay taxes.

New China News Agency said Thursday that the Dalai Lama, the spiritual leader of the Tibetans, addressed Red China's first Congress and said "Tibetan-Chinese unity is 'growing day by day.'"

The Dalai Lama's government in 1950 appealed to the United Nations against the invasion by China's "People's Liberation Army," and the U.N. did not intervene.

## Eisenhower Staff Secretary Dies

WASHINGTON (UP)—President Eisenhower's staff secretary, Brig. Gen. Paul T. Carroll, 44, died unexpectedly Friday night in Walter Reed Hospital of a severe heart attack.

"Pete" Carroll, who had served with Mr. Eisenhower for nine years, is survived by his widow, Ruth, and three sons.

The President, vacationing in Colorado, was openly saddened by the death of his relatively young staff secretary. When news of the general's death was telephoned to him, the President immediately sent his military aide, Col. Robert L. Schulz, to Washington to assist in funeral plans.

## Only One Issue In Campaign, Nixon Claims

ST. LOUIS, Mo. (UP)—Vice President Richard M. Nixon, pegging the performance of the Eisenhower administration in cleaning up a "miserable mess of potage" as the only issue, carried the Republican congressional campaign into South Dakota today.

Nixon told a GOP fund-raising dinner here Friday night that the American people have got back their historic birthright "in exchange for a fantastic mess of Korea, Communism, corruption and controls."

The vice president, on an eight-day, eight-state campaign swing through the Midwest on behalf of Republican candidates, stayed here overnight. He was to leave this morning for an appearance at Huron, S. D., today.

Nixon told about 900 persons at the \$100-a-plate dinner "This terrible mess of deep troubles for our nation spelled battlefield deaths in a war that apparently had no ending."

Says Only One Issue

"It meant an inability to deal with the globe's Number One threat at home and abroad; a domestic cancer eating away the integrity of our federal government, and crippling controls that stifled our economy but could not halt inflation."

In exchange for this "miserable mess of potage," Nixon said, 34 million Americans "vote for their birthright as Americans determined to conquer these gigantic problems."

The record clearly shows, he said, how well President Eisenhower and the "hard working and dedicated Republican majority in the 83rd Congress succeeded."

The major issue in the 1954 campaign, Nixon said, is the performance of the Eisenhower administration.

"There is no other issue," he said, "and the opposition spokesmen know this because although they have frantically tried to, they have been unable to find another issue."

## W. J. O'Neil, Former Resident, Resigns After 20 Years with Forest Service

W. J. "Jim" O'Neil, who has been on extended leave of absence from the Shawnee National Forest for the past three years, as an Associate Professor of Forestry at the University of Missouri, Columbia, is resigning after 20 years of service from the Forest Service effective Oct. 4.

Mr. O'Neil came to Harrisburg from Newtonville, Mass., in November, 1940. He had just finished salvaging the blow down timber of the Sept. 21, 1938, hurricane.

Mr. and Mrs. O'Neil and their two children, James and Patricia, resided at 223 West Church street. Both children graduated from the Harrisburg Township high school, and are now living in San Francisco, Calif. James is an attorney for the Bank of America and Patricia is employed by the San Francisco Examiner.

Mr. O'Neil is a past president of the Harrisburg Rotary club and a past governor of District 216 Rotary International. He is a member of the American Legion, past commander of George Hart Post, a member of the Veterans of Foreign Wars, a member of the Military Order of the Purple Heart and a past president of the Holy Name society of St. Mary's church. He is also a member of the Assembly of the Fourth Degree Knights of Columbus.

Mr. O'Neil served in both World Wars with combat troops. He was a lieutenant of field artillery in the AEF and a major of the Third Army Engineers in the ETO. He

## Spaak Issues Warning U. S. May Quit Europe

Statement Follows  
Dulles Conferences  
In Britain, Germany

LONDON (UP)—Western Europe was told by one of its own foremost representatives today that the United States is at "the end of the game" and may abandon Europe.

Belgian Foreign Minister Paul-Henri Spaak delivered the blunt warning before the Consultative Assembly of the Council of Europe at Strasbourg as an aftermath to a speedy series of conferences in European capitals involving Secretary of State John Foster Dulles, Britain's Sir Winston Churchill and Anthony Eden, and West Germany's Konrad Adenauer.

Dulles pointedly ignored French Premier Pierre Mendes-France, under whose leadership the French General Assembly killed the U. S. and British-sponsored European Defense Community, and thereby stirred up a storm of French resentment.

But while French newspapers stormed that no agreement on European defenses could be reached without French participation, Dulles reached full agreement with Britain that West Germany must be rearmament and her sovereignty restored quickly.

Dulles left for the United States from London Airport Friday night after his whirlwind two days of conferences in London and Bonn. Disappointment Event

Neither he nor Eden have disguised their disappointment with French delaying tactics toward German sovereignty and rearmament.

On Dulles' arrival today at Dexter, N. Y., for a few days of rest at his main Ducks Island retreat on Lake Ontario, Dulles paid tribute to West Germany but ignored France.

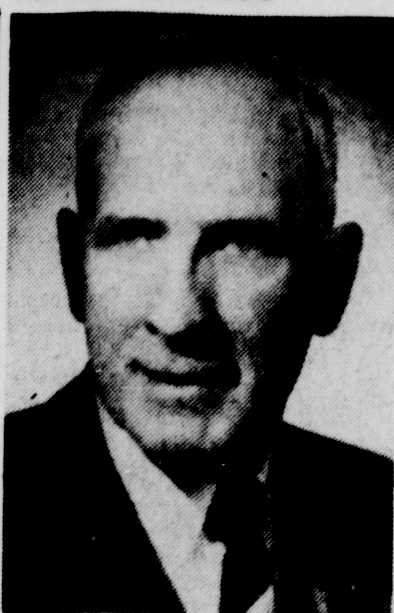

"I feel confident," he said, "that we can continue to count upon the Federal Republic of Germany to pursue policies of wisdom and moderation and not to close the door to eventual realizing of the great benefit of a United Europe."

Dulles said it has been "long apparent" that there is "no adequate substitute" for EDC.

Meanwhile, there were these other developments: Mendes-France makes decision to appear before the Council of Europe Consultative Assembly in his capacity as French foreign minister. He will speak Monday and a source close to him said he may make known his conditions for West German rearmament.

At the same time, in replying to questions submitted by the Manchester Guardian, Mendes-France gave preliminary approval to a plan to include West Germany in the Community of Nations but indicated he opposes immediate German membership in the North Atlantic Treaty Organization as favored by both the United States and Britain.

He said he was thinking primarily of a European defense system upon which "we Europeans agreed among ourselves."

was wounded April 30, 1945, near Trier, Germany. Mr. O'Neil is a member of the Saline County and Southern Illinois Historical societies. Mrs. O'Neil was a member of the Harrisburg Woman's club, a past president of the American Legion auxiliary to George Hart Post, a member of St. Anne's Altar society and a past president of the Saline County Garden club. Mr. and Mrs. O'Neil now reside at 107 Aldeah avenue, Columbia, Mo., where Mr. O'Neil will continue to teach in the University of Missouri.

## Stevenson to Kick Off Democratic Campaign With TV Speech Tonight

INDIANAPOLIS, Ind. (UP)—Adlai Stevenson kicks off the Democratic national congressional campaign with a televised speech tonight on the heels of a charge by former President Truman that the Eisenhower administration needs Democratic help to be a success.

About 1,000 party faithful from three-fourths of the states paid \$100 a plate for the banquet at which Stevenson will deliver the nationally televised speech, climax of a two-day party rally here.

The speech by the 1952 presidential nominee and titular head of the party was billed as the keynote of the Democratic national campaign.

But Mr. Truman, sidelined by his doctors from active campaigning, got in a pre-kickoff appeal for a Democratic Congress in a letter to Stephen A. Mitchell, national party chairman.

"President Eisenhower should be secretly wishing for a Democratic Congress," Mr. Truman wrote in the letter read at the rally Friday night.

"He is pledged to a foreign policy of cooperation with other free nations, but a majority of his party leaders are against it," Mr. Truman said. "He needs a Democratic Congress if he is to go down in history as a successful President who helped save the free world."

Mr. Truman, whose doctors ordered him to pass up this rally and

## Jury Unable to Reach Verdict in Racketeering Case

ST. LOUIS (UP)—A Federal Court jury hearing labor racketeering charges against three AFL union officials was discharged late Friday when it announced it could not reach a verdict.

U. S. District Judge Roy W. Harper dismissed the jurors after they deliberated more than 13 hours.

Government prosecutors had no comment on the case in which a fourth defendant, Lawrence A. Callanan, former boss of the Steamfitters Union here, was dismissed when Harper ruled the government failed to connect him with the alleged crime.

The remaining defendants, Fred A. Seaton, business agent of the Steamfitters; Carl J. Bianchi, Hoisting Engineers agent; and Lawrence A. Thompson, Teamsters business agent of Cape Girardeau, Mo., were accused of extorting \$6,000 from Myrl Rumsey, a Wichita, Kan., pipeline contractor, in 1951.

Bianchi and Thompson are serving long prison terms on an earlier racketeering conviction. Callanan has appealed a 12-year sentence for racketeering.

## Marilyn Monroe Suffers Flu Attack

HOLLYWOOD (UP)—Film star Marilyn Monroe was in bed with an attack of the flu today, but her doctor said he did not blame her condition directly on her skirt-twirling New York picture scenes.

The actress and husband Joe DiMaggio returned from New York Thursday and she failed to report for work at 20th Century-Fox Studio Friday. She telephoned studio officials that her doctor had ordered her to bed for the weekend.

Miss Monroe also refused to blame the simulated updraft from New York subways for her illness. She was making New York location shots for the film "Seven Year Itch," when she was caught in a series of widely photographed scenes with her skirt billowing.

## Sewer Used as Escape Route at Atlanta Prison

ATLANTA (UP)—A sewer that for 52 years could have led to freedom from the big Atlanta Federal Prison was the escape route used by four prisoners in two days from the institution where only three others ever escaped, authorities said today.

George Evans, 29, of Douglasville, Pa., and Charles R. Perry of Memphis, Tenn., crawled to freedom Friday through the 20-inch sewer that led to a patch of woods some 1,500 yards outside the prison's 30-foot-high walls. But they were recaptured short distances from the prison within 10 hours after they were reported missing.

Their escape followed only two days that of two Midwest bank robbers who were the first to use the sewer as an escape route, although prison officials said it had been there since the prison was erected in 1902.

The long term bank robbers, Charles Edward Stegall, 36, of Louisville, Ky., and George Ellis, 36, of Chicago, were still at large. Evans was sentenced at Baltimore, Md., to three years for interstate transportation of a stolen automobile. Perry was sentenced in New York to 10 years for post office burglary.

A 15-state alarm was broadcast by the FBI for Stegall and Ellis. Stegall, a spray painter and textile mill employee, was sentenced June 22, 1949 at Paducah, Ky., to 20 years for bank robbery. Ellis, a roofer and house painter, was sentenced Dec. 22, 1952, at Chicago to 20 years for bank robbery.

## Letcher Walker, 49, Former Resident, Dies at Buckner

Letcher Walker, 49, former resident of Harrisburg, died at the home of a sister, Mrs. Bertha McPherson, in Buckner.

Besides Mrs. McPherson he leaves two children, Mrs. Betty Strobel, Savannah, Ga., and Jerry Walker, Harrisburg; another sister, Mrs. E. R. Denny and a brother, Erble Walker, both of Harrisburg.

The body now lies in state at the Gaskins funeral home where the funeral will be held Sunday at 4 p. m. Burial will be in Sunset Hill.

## Douglas and Meek Refuse to Cross Cow Path to Shake Hands

OLNEY, Ill. (UP)—Sen. Paul Douglas (D-Ill.) and the Republican candidate for his job, Joseph T. Meek, refused to cross an old cow path Friday to shake hands with the other hand.

When reporters and newsmen found Douglas and Meek on the opposite sides of a country road at the National Plowing Contest, they asked them if they would pose for pictures together.

Meek said, "Aw, no, I wouldn't go across the street to see Douglas."

Douglas told a TV cameraman who tried to prod him across the road: "Look, young man, don't push me."

Later, however, the photographers got their pictures when there wasn't a road between the two men. They met when they had to speak on the same platform.

## Two Illinois Men Seeking National Title

23 State Champs  
Are Entered in  
Plowing Contest

OLNEY, Ill. (UP)—More than 100,000 persons lined the slopes of Olney Hill near here today to watch the national plowing championship matches and hear Agriculture Secretary Ezra Taft Benson.

Twenty-three state champions were entered in the championship plowing matches, climax of a three day farm festival.

The entry list was completed Friday when Robert C. Erickson, Minooka, won the Illinois state level land plowing contest, and John C. Daniels, Mulberry Grove, won the state title in the contour division.

Benson's speech was scheduled for late in the day. The speaker's rostrum was occupied Friday by Illinois Republican Gov. William C. Stratton, Sen. Paul H. Douglas (D-Ill.) and his GOP opponent in the November election, Joseph T. Meek.

Stratton praised Benson for easing acreage restrictions in the federal price support program earlier this week.

Stratton said he asked Benson to modify planting rules so southern Illinois farmers could grow more emergency feed crops this fall and next year.

Douglas followed Stratton to the Olney Hill rostrum and attacked the administration's farm policies.

He said rigid high 90 per cent of parity farm supports were "right for the farmers."

Meek backed Stratton and said "responsible farm leadership" favored the flexible supports recently adopted by Congress.

## U. S. Officer, GI Seized by Czech Guards

Army Spokesman  
Confirms Lieutenant  
In Civilian Clothes

HEIDELBERG, Germany (UP)—A United States Army spokesman confirmed today that a lieutenant seized Friday by Czechoslovak border guards was dressed in civilian clothes.

The lieutenant and a private were captured by the Communists "on our side" of the border near the West German border village of Eslarn, the spokesman said. "The men were on a routine mission," he added.

"The reason the lieutenant was in civilian clothes is that it was his job to wear civilian clothes to interrogate civilians on this side of the border," the spokesman said. "He was an Army interrogator."

The spokesman "assumed" the private captured with the lieutenant and the sergeant who observed the incident were "members of the lieutenant's staff."

The Army announcement said the State Department in Washington has been notified of the incident, the third in eight days. It added that the matter would be handled through diplomatic channels.

The U. S. Embassy in Prague said by telephone that it had no information on the case yet from Washington.

West German guards said they were told by Czech guards that the two Americans were seized when they "violated Czech territory." They said the Americans were taken to Pilsen where they would be held until released thru "ministerial channels."

The U. S. Army spokesman said the Americans "had their own vehicle but were not in it when the incident occurred. The vehicle was not taken by the Czechs."

The Americans were not identified by name.

**Mrs. Archie Abney Hostess**  
The Harrisburg Home Bureau unit met at the home of Mrs. Archie Abney, 414A West Poplar, Friday at 2 p. m.

The chairman, Mrs. W. F. Applegate, presided over the business meeting during which time dues were paid since this was the first meeting of the new year. Hostesses for each month's meeting were selected along with local leaders to give the lessons.

It was announced that the annual Saline County Home Bureau meeting would be held Sept. 22 at the Masonic temple and everyone was urged to attend.

Roll call was answered with "Offices I have held in Home Bureau."

The minor topic, "Methods of Closing Belts," was presented by Mrs. A. L. Bair who demonstrated with six different types of belts that she had made. She also showed the group how to cover belt buckles which was quite interesting.

Mrs. George Lindsay gave the major topic, "Efficient Use of Sewing Machine." Using the hostess' machine she demonstrated and explained the different parts of the sewing machine, what they were used for and how to use them.

The hostess, assisted by Mrs. Bair, served homemade cookies and fruit punch to Mrs. Roy Adams, Mrs. W. F. Applegate, Mrs. L. B. Kimmel, Mrs. W. E. Pankey, Mrs. W. L. Tate, Mrs. George Lindsay, Mrs. George Lindemuth, Mrs. Bolen Perkins and one visitor, Mrs. R. L. Foster.

The October meeting will be held at the home of Mrs. C. L. Travis.

**ESPECIALLY For Older People**  
A New Radio Program — offered by RAY'S DRUGS at 1:00 P. M. and 7:30 P. M. each Tuesday beginning September 21

The increasing longevity of man and the problems created by the rising numbers of older people in our society have aroused public interest in the relatively new field of Gerontology, the study of aging.

Mr. Robert L. Peterson, who conducts AGING SUCCESSFULLY, holds B.A. and M.A. degrees from George Washington University. He has been with the University of Illinois since 1948, and while his particular field of interest is Business Management, he has developed an avocational interest in the problems of older people. In 1949, he organized and taught the first course to be offered by the University of Illinois, Division of University Extension in this new area of study known as Gerontology.

This radio series on aging represents a new contribution to the growing field of adult education.

Here are the titles of the programs:

Our Chances For a Long and Healthy Life.  
The Rise of Interest in Growing Old Successfully.  
Making Old Age the Most Interesting Part of Life.  
What the Philosophers Say About Old Age.  
Some Oriental Attitudes Toward Old Age.  
Modern Medicine and Old Age.  
Some Health Rules for Older People.  
Intelligence and Old Age.  
The Creative Ability of Older People.  
Meeting Emotional Needs in the Later Years.  
Financial Needs in Retirement.  
The Older Person in Modern Society.  
Community Planning for Older People.

The laboratory is in charge of J. K. Tyler, assistant manager of Product Performance of Philco Corp., Philadelphia. Mr. Tyler said the laboratory was designed to test the Philco television set all over the nation.

"We are here to find out how the 1955 sets are working in the area, and if they are doing everything the company claims they will do," Mr. Tyler stated.

"The laboratory is housed in a bus chassis, and has all necessary equipment to test sets. It has a tower that can adjust height up to 70 feet and runs on its own supply. It is one of two new units that were put into operation Aug. 1.

"We cannot anticipate all the problems of certain areas at our Philadelphia headquarters; so we have these mobile laboratories to go into the different areas to make tests there," Mr. Tyler stated.

Claims Decrease  
WASHINGTON — The Labor Department has reported that the number of persons filing claims for state unemployment insurance dropped last week to the second lowest total since Oct. 31, 1953.

The department said new claims last week totaled 248,000, a decline of 19,000 from the previous week. This was the smallest number of new claims filed recently by newly laid off workers except for the week ending Aug. 28.

Forty-one states reported reductions with the largest drops in California, Ohio and Pennsylvania.

The Labor Department said the total number of persons receiving state unemployment compensation dropped by 51,700 in the week ending Sept. 4 to 1,606,300. This continued a decline that started July 10.

First Snow of Season Hits Montana Area

The first snow of the season showed up at Mullen Pass, Mont., today, and most other parts of the country had cool weather and at best threatening skies.

Showers and drizzle blanketed the western part of the nation from Washington eastward across Montana into the Dakotas.

Several areas in the northern Rocky Mountain region reported temperatures in the 30s, though most readings in the northern half of the country were in the 50s.

The snow at Mullen Pass, where the temperature was 32, reached a depth of one inch.

Frequent thunderstorms hit the upper Mississippi Valley and the Great Lakes region.

Except for rain in Florida, most of the South had sunny skies, almost the only ones across the country.

Temperatures in the southern half of the country ranged into the 70s and hit a high of 86 at Gila Bend, Ariz.

Censure Group May Complete Report Next Week

WASHINGTON (UP)—A member of the Senate censure committee said today the group may finish its report next week. Joseph R. McCarthy next Sen. but the Senate should not return to act on it before the November election.

Sen. Edwin C. Johnson (D-Colo.), who is retiring from the Senate, to run for governor of his state, said he would not leave Washington until the report is "written and signed." He added that he hoped to be home by next Wednesday.

But because of the "highly controversial" nature of the censure question, Johnson strongly advised against calling the Senate back into session to act on the report before the crucial Nov. 2 election. He said the report is likely to kick up a stormy Senate debate.

Sen. Sam J. Ervin Jr. (D-NC), another member of the committee, echoed Johnson's prediction of an early report on the censure charges against McCarthy.

"Maybe I am optimistic, but I hope we have a report about the middle of next week," Ervin declared.

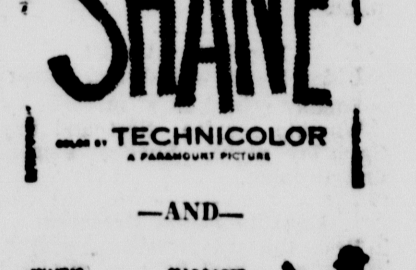

The special six-man committee, headed by Sen. Arthur V. Watkins (R-Utah), scheduled a closed meeting today.

## Fight TV Blacks Out in Theatres, Patrons Angry

By United Press  
A closed television circuit carrying the Rocky Marciano-Ezzard Charles heavyweight championship fight blacked out because of technical difficulties in several cities Friday night and in some cases theater managers were forced to make refunds.

Theatre Television Network, Inc. carried the fight to 70 theaters in 50 cities.

At Chester, Pa., some 3,000 patrons of the Stanley Theatre were on the verge of rioting, police said, when the TV screen blacked out in the second round and the telecast was not resumed. Some irate patrons began to tear up seats.

Forty policemen were rushed to the scene and the crowd was herded to the outside where they milled around until theatre manager J. M. Feldman promised refunds of \$3.60 to the ticket stub holders.

At Albany, N. Y., the TV picture at the Grand Theatre failed after the first round, then came back fuzzily in time to show Marciano knock out Charles in the eighth round. Some 1,500 unsatisfied fans began shouting for refunds and police sent a half dozen cruisers to the scene. The crowd dispersed when the theatre management said it would refund the \$3.30 admissions.

## Eagles Defeat Anna, 14-12, in Opening Game

Eldorado Scores Both Touchdowns Through Passes

Eldorado scored seven points in each of the first two quarters at Anna last night, then gamely held the host club fairly well in check to score a 14-12 victory. It was the opening game of the 1954 season for both teams.

The Eagles displayed a sound running game, but both touchdowns were scored as the result of passes—one by the Eagles and the other by Anna.

In the first frame, after working the ball to the 28-yard line on runs by Gwaltney, Potts and Sutton, quarterback Clark pitched a scoring pass to Stroke, right end. Gwaltney then ran for the point.

Late in the second quarter, with Anna trailing 7-6, they took to the air but Whittier, Eagle defensive back, intercepted a pass on his own 40 and behind good blocking ran 60 yards for a TD. Sutton ran for the point.

Plucks Ball Out of Air

Whittier, veteran guard, is playing his first year of football and had a thrill lots of boys will miss in many a game. Using his "basketball hands" Whittier plucked the ball out of the air, took off about 10 yards from the sidelines and galloped along behind four blockers to score.

Lyon, Eldorado end, intercepted two other Anna passes, but one interception was nullified by an offside penalty against Eldorado.

The game opened with Eldorado receiving and picking up a couple of first downs, taking the ball to midfield. Gwaltney then broke away for 27 yards, but a holding penalty was called on the Eagles to stop the march. Anna then took over, but also suffered penalties and punted to the 39 yard line. Then came the first TD march.

Running plays, featured by a 16-yard dash by Potts, took the ball to Anna's 28, then Clark connected with Stroke on a pass for the TD and Gwaltney carried for the point.

Anna Scores

Early in the second quarter Anna scored, with a long pass setting up the marker. Meyer hit Jobe with a pass to the 7, two running plays were stopped, then Meyer hit off his left tackle to score. The point try failed.

Whittier's run and Sutton's successful point try gave Eldorado a 14-6 lead at half time. The score remained that way until less than a half minute remained to be played.

With time rapidly running out, Meyer heaved a long pass to Bitte, Anna halfback, for a TD. The play covered 38 yards. Again the point try failed.

Anna tried unsuccessfully a short kickoff, then kicked again, this time out-of-bounds. Eldorado hit the line for one play as the game ended.

Eldorado's "pony" backfield looked good, with Gwaltney, Sutton and Potts picking up lots of yardage. Sutton had one gain of 18 yards, Potts clicked off a 16 yard gain and Gwaltney had runs of 20 and 18 yards. Clark, at quarterback handled the team well and his passing was adequate.

Play Metropolis Next

The line, especially from tackle to tackle, looked strong and the ends improved as the game progressed.

Standout for Anna was Meyer, a halfback. His passing and running were good and his punting was exceptional. Anna gained on all exchanges of kicks as Meyer booted the ball "way down field time after time."

Eldorado's starting lineup had Stroke and Lyon, ends; Bob Laffoon and Vogel, tackles; Roberts and Lindell Lovellette, guards; Wayne Laffoon, center; Clark, Gwaltney, Sutton and Potts, backfield.

Next Friday Eldorado opens its home season, entertaining Metropolis, winner last night over Sesser, 18-6.

## Eliot Names Nine Of 11 Starters

By United Press  
Coach Ray Eliot of Illinois has named nine of the 11 starters who will take the field against Penn State Sept. 25.

The Fighting Illini are defending Big Ten co-champions with Michigan State and one of the favorites in this year's race with Michigan State, Wisconsin and Iowa.

With another week of practice sessions to go, Eliot named his starting team with the exception of the two end positions.

The nine are halfbacks J. C. Caroline and Abe Woodson, fullback Mickey Bates, quarterback Em Lindbeck, tackles Roger Wolfe and Floyd McAffee, guards Jan Smid and Buck Tate, and center Jack Chamblin.

## Northwestern Needs Breaks To Be Contender

CHICAGO (UP)—Northwestern's football team, if it gets some breaks, could be close to a title contender in the 1954 Big Ten chase, Coach Bob Voigts said today.

"All the breaks went against us last year," he said. "If we get them this year, we won't be too far away."

Voigts classed his team as "improved," but said that "everybody else thinks they've improved too."

"We're better because we've got better competition for positions," he said, "and our line will be experienced and have more depth."

Strongest at Fullback

He believed that the best equipped position on his squad was fullback, where Bobby Lauter and Wayne Glassman, both lettermen, were one-two for the spot.

"I don't want to move either of them to halfback," he said.

Voigts said his club was hurt most at quarterback and end, but that the end problem had improved with the transfer of Fred Nosal from guard.

"Nosal has a good possibility of being one of the best all-around ends in the conference," he said.

Another aid to the end, sophomore was sophomore Jack Stillwell, who was giving veteran Ziggy Niepokoj a strong race for a starting spot, and whom Voigts said had a chance to gain the first team before the opening game.

Rearden Pushed By Brocker

At quarterback John Rearden, a junior, held the first team job currently, but was being pressed by sophomore Ed Brocker.

"I've had to judge Rearden on what he did last fall," Voigts said, "because he had a shoulder in the spring and didn't get any more practice. But so far his throwing has been good."

The Wildcat line will be big and fairly fast with veterans Sanford Sacks and John Smith at tackles, Mel Searcy at guard and John Damore at center.

A sophomore, John Lohbauer, was pressing veteran Ron Riba for the other guard spot and Voigts believed he might win it.

"We'll have pretty good depth in the line," he said, "and if we don't get too many injuries, we might surprise a few people."

Rock Island and East St. Louis Extend Grid Wins To 22 Straight Games

SPRINGFIELD (UP)—Rock Island and East St. Louis breezed easy victories to run their winning streaks to 22 games each Friday night as Illinois prep football teams kicked off the 1954 season.

Games in every corner of the state launched the first week end of gridiron activity. Results indicated some of the old powers are going to be just as tough as ever.

Quarterback Jimmy Mason ran for two touchdowns and passed to Jimmy Jones for a third as East St. Louis scored a 27-0 win to trounce Springfield, 27-0, on the southwestern Illinois team's field.

Rock Island had things even easier, smashing Quad-City opponent Rock Island Alleman 33-0.

The Rocks and East St. Louis haven't been beaten since 1951 and sport the longest winning streaks in Illinois.

Benton's Rangers snuffed out the nine-game winning streak, spanking the White County eleven 12-7.

Murphysboro, always a power in southern Illinois, got off on the right foot with a 7-0 triumph over Harrisburg. Centralia thrashed Flora 32-0, Marion beat Carterville 21-0, and West Frankfort and Carbondale Community battled to a 6-6 deadlock.

Roxana stunned Jerseyville with a 21-6 defeat in a major upset. It was the first time Coach Joe Jurkanin's Panthers have been stopped since they began a 14-game victory skein in October, 1952.

Another eleven which fell by the wayside after having a spotless slate last season was Joliet Catholic, a 13-0 loser to Davenport, Iowa, St. Ambrose.

Chatsworth and Chenoa V. Identical scores were chalked up by Chatsworth and Chenoa, two central Illinois teams that emerged from the last season unbeaten and untied. Both won their openers by a 33-6 margin, Chatsworth against Piper City and Chenoa at the expense of Octavia.

Other squads which recorded perfect marks in 1953 and came through their first 1954 games un-

## Locals Outstanding on Defense with Only Two Real Scoring Threats

A 35-yard runback of a Harrisburg punt set the stage for the only touchdown of the evening as the Murphysboro Red Devils last night took a 7 to 0 grid decision in the season opener for both teams.

The Murphysboro sidelines were jammed for the tilt, as tight a defensive battle as anyone would ever want to see. The Bull Dogs had gone into the game a three-touchdown underdog and although beaten by the single tally, put up a courageous exhibition in which they scintillated on defense.

In fact, the statistics show that the locals gained more yards from scrimmage than did the Red Devils. The Murphysboro outfit had one more first down, seven, to six for Harrisburg, but the total yardage from scrimmage was 39 for Harrisburg and 77 for Murphy.

Two Scoring Threats

Broken down, the Bull Dogs made a net 50 yards rushing and 39 passing, to a 43-yard net rushing and 29 yards passing for the opponents.

The Bull Dogs tried 12 passes, completed three of them and had two intercepted, one on the last drive at end, Gail Buchanan at center, Mike Hays at fullback, Fred McKenzie at halfback, Wayne Heiner at fullback. Only two substitutions were made the first half. Evans went in to replace Price when the tall tackle was knocked out by a knee blow to his face, and Hess, who replaced Dale for a while.

Murphy starters were Joe Genovese at quarterback, Bert Osburn and Gary Roberts at halfbacks, Jack Nelson at fullback, Jack Martell at center, Wayne Larson and Norman Green at guards, Bob Scotters and Howard Spann at tackles, and Bob Casleton and Lewis Ethern at ends.

Next Friday night the Bull Dogs will be host to Marion in a South Seven conference game.

There wasn't another scoring opportunity during the game although the Bull Dogs were marching at the end of the contest. This final drive started on the H-33 and moved to the M-36 on a 15-yard pass from Charles Polk to end Eddie Seright and a 14-yard pass from quarterback Polk to Trammel. Then, with 24 seconds left, Polk ran 11 yards to the M-25. However, on the last play of the game Murphy intercepted near its goal line.

Last night's Bull Dogs astounded local fans with their tackling ability. The line charged well all night and both linesmen and backs were making the thud of leather resound on the tackles. There was little

**WHY? WHY? WHY?**

It is such a little word, yet she uses it so often... particularly when she is alone, and thinking to herself. For it seems, then, as if there are so many questions and so few answers.

She tells herself that she isn't unhappy. She is young and attractive, has a family and friends, and enough material things to satisfy her wants. Yet there is something lacking, something that makes her restless when she should be at peace, enjoying the bounty of some of the best years of her life. Why, she asks herself, Why?

The answer is a simple one. There is something lacking in her life... there is a void. She hasn't found the basic faith that can answer her questions. She needs the spiritual background that the Church alone can give her. And until she finds this—she will still be asking, "Why?"

Do you ask yourself "Why?" too?

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend the Church. They are: (1) For his own sake. (2) For the sake of his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

### 'Growing In Christian Love'

Matt. 5:43-48; I John 4:11-19  
GOLDEN TEXT: "Above all these things put on charity, (love), which is the bond of perfectness." (Colossians 3:14).

INTRODUCTION: In this series of lessons we have been thinking about how a young Christian may become full grown. We have seen that a Christian grows through reading God's Word (the Bible), praying much, worship, right choices, giving and through helping others. Yes, one may grow as a Christian in many ways.

In today's lesson we find the very essence of Christian growth. It is love. Without love for God and man one can never grow to Christian maturity. Love must undergird all of the other means of Christian growth mentioned before.

I. THE SCOPE OF LOVE (Matt. 5:43-48)

The Pharisees of Jesus' day were required by God to have a high degree of love for one another. They carried this to the extent of not loving others. However, God had also told them that they were also to love the "strangers in their midst." (Lev. 19:34).

There is entirely too much of that pharisaic attitude in the world today. Yes, we even find some of it in some church families today. This should never be!

Some folks think that it pays to be good to those who are good to you. They think that if there is a neighbor who might some day help them, then perhaps they should be good to them. If you have an enemy, what good can come by being kind to him? These folks would say, "hate him and treat him as an enemy."

Christianity knows nothing of such a spirit. The Christian may sometimes have to rebel at the sins of the sinner, but he continues to love him. Is this not the attitude of God? The Christian will even love those who despitely use him.

Has someone wronged you? What?

Additional Church Notes  
On Page 3

is your attitude toward that person? Remember God and His Son, Christ. Remember how He has been wronged even by you. Yet, he loved you and still does love you. Can you do the same toward your enemy? A true Christian can and will.

II. THE SPIRIT OF LOVE (I John 4:11-19)

Every person should read this portion of his Bible. In verse 8 we read, "God is love." He is the very essence of love. He knows how to love. As we read of His love we become more loving. "God so loved us that he gave his only begotten Son" for us. Verses 11-16 show us that when we abide in the glorious love of God, we cannot help loving one another.

In a testimony meeting the preacher asked one night, "Is there a person here who has no enemies in this world?" One old man, with long whiskers, stood up and said, "I have not an enemy in this world." The preacher said, "Do you mean to say that you have not one enemy in this world? Amazing! Will you please tell us how you did it?" The old man replied, "I just out-lived the son-of-a-gun!"

Now, friends, that might be one way not to have any enemies. However, it is not the best way. Christ has given us the best way, and that is to love your enemies and to do good to them which despitely use you."

CONCLUSION: Where there is fear there cannot be love. Fear rules out love. Because God gave his only begotten Son for us, we know He loves us. We who know God through Christ do not fear Him. If you do not know Christ as Saviour, if you are not a Christian, then, you should fear God. However, remember He loves you and wants to save you from hell, from sin, and to heaven and victorious living. We who know Him, love Him. We also love all people.
